**Framing 2022** is no easy task! But what a relief to have had a full year back on the Ruzawi campus. School as it should be, school as we remember it, but definitely with a difference- which is obviously the impact that the years of Covid and lockdown have had on the whole Ruzawi community.

As a country and as a school, we have learned that it's not what happens, it's how we respond to it. Ruzawi's response included the introduction of a pastoral care team as well as a safeguarding team. The addition of these two entities has allowed the ethos and the values of Ruzawi to be “framed”. Both teams highlighted the need to create a safe environment for pupils, staff and parents.

Both, I believe, have been so significant that it is difficult to

imagine Ruzawi without them going forward. Although there are only a few members in each team, it is the way the Ruzawi family at large have embraced these two crucial aspects of life in the 21st century. It is therefore with confidence I can say to current, future and past Ruzawi families that not only will all stakeholders be protected, but, most significantly, so will Ruzawi's ethos and values.

Thank you for your support this year and I look forward to my final year in 2023!!

Ms Rachel Nash  
2019 - 2022

Mrs Les Candy  
2017 - 2022

**James Barry:** When there was no Zesa Ms Nash always took us out to see the stars.

**Riley Meikle:** One night Ms Nash took us out to run around flag lawn. (Night adventures.)

**Mathew Froude:** Ms Nash used to sit with me under the stars when I couldn't sleep.

**Ms Huchu:** To the best blue eyed, blue glassed, blue eye liner lady I know!

**Jordan Hungwe:** Ms Nash always took us out into nature to go exploring.

**Alexio Landos:** My favourite memory is of Ms Nash taking us out onto flag lawn to look up and see the planet Jupiter.

**Miles Fowler & Thomas Reid:** One morning we snuck into Mr Davis' office with Ms Nash and gave him a big fright.

**Matthew Edwards:** My best memories of Ms Nash are of us doing yoga just before bed.

**Mitchell Cloete:** She was always already ready with a hug when we were sad.

**Christian Mangwiro:** We always got to watch all the sports fixtures!

**Miyah Koen:** I will miss you and I hope you can come and visit us.

**Amber Moore:** Dear Mrs Candy, thank you for being there for me when I was not feeling my best.

**Keilah Nyamhuri:** Mrs Candy is the nicest dorm matron I have ever had.

**Queenette Harahwa:** Mrs Candy helped me to polish my manners to perfection.

**Stacey Manganah:** Thank you for taking care of me and sewing on my blazer button.

**Blaise Fouche:** Thank you for waking up at 0400 so that I could go home.

**Rufaro Jakanani:** Thank you for helping me be brave when I was scared at night.

**Ruva Munyawarara:** Thank you for giggles and guffaws we had during our nightly chats.

**Samantha Howson:** Thank you for looking after me when I was sick or sad. Thank you for cheering me up.

**Tassia Kaschula:** Thank you for comforting me when I was down.

**Villa Gata:** Thank you for exchanging the tuck that I didn't like and giving me the one that I liked.

**Rumbi Chinhara:** Dear Mrs Candy, thank you for being amazing and always being a place of comfort to us.

**Mia Mahachi:** I will miss the way you made me feel welcome when I came to Ruzawi.

*Thank you from the Ruzawi Family.  
You will be missed!*

Our theme for this year is *Framing 2022.*

I love the idea that pictures frame a moment in time, and we get to revisit that moment as often as we like.

I cannot get over how photogenic and natural children are! I sit for hours editing photos after an event, literally smiling at the screen as I sift through each picture. The emotions, determination, excitement and ability to simply “be present” in each moment, radiate through the photos. However, knowing that most of the gorgeous little smiles in a multitude of photos will not be seen by family and friends is very frustrating! I got my thinking cap on and decided on a plan for the 2022 magazine which I will be testing. Therefore, look out for the QR codes on page 69, which will link your device directly to the correlating Photo album on the Ruzawi Website, where you can “browse around.” I hope you all derive as much pleasure looking through them as I have!

Thank you to Mrs Lesanne Fowler for access to your beautiful photos!

# CHAPEL

*Grateful. Thankful. Blessed.*

“

Being deeply loved by someone gives you strength,  
while loving someone deeply  
*gives you courage.*

Lao Tzu

”

*"A community, society or family rises or falls  
by the quality of its relationships."*

**A person standing alone can be attacked and defeated,  
but two can stand back-to-back and conquer. Three are  
even better, for a triple-braided cord is not easily broken.**

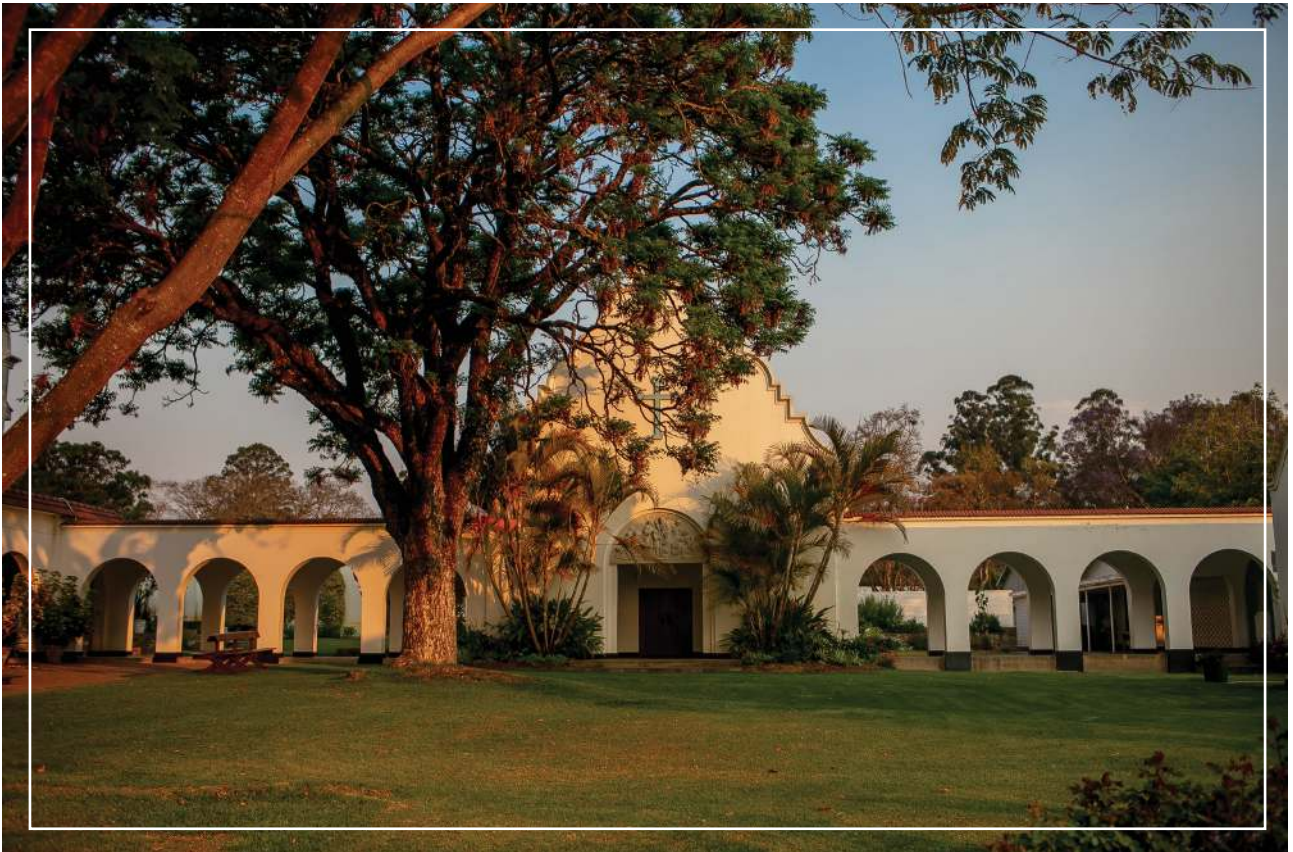

Ecclesiastes 4:12

A community, society or family rises or falls by the quality of its relationships; they are, by nature, centred around people, after all. Exploring the theme of relationships in the Trinity Term was a fascinating exercise and one which, hopefully, went a long way towards bringing their importance to the fore. The Chapel spearheaded the Pastoral Care Team drive of weekly themes under the banner of an overarching theme for the term. We had a lot of fun digging into God's Word to learn from the One who is all about relationships. There are many principles of relationships that we can apply which will make us stronger as a unit. However, when God is at the centre, the foundational strength of our bonds is exponentially improved making our daily Chapel services even more relevant for our lives. The

Ruzawi Family is a wonderful unit which owes its strength, undoubtedly, to the God we serve.

Emotions are a familiar part of our everyday lives and they formed the basis of the theme for our final term. Understanding that emotions are a gift from God for our benefit is important if we are to embrace them and learn to use them for their intended purpose. We learnt from our various speakers on how to deal with emotions as well as to manage them to our advantage. Hopefully this has stood us in good stead on a personal level as well as in having much-needed empathy for others. We are indebted to the contribution of all who were courageous enough to provide such wise and practical input during our many services. The relationship bedrock of our very special community has been further enhanced this year through the Chapel without question.

Mr V Mashungu & Mrs A Mashungu

# PASTORAL CARE

“

The future belongs to those who believe in the beauty  
*of their dreams.*

Eleanor Roosevelt

”

Pastoral Care is the term that covers a school's commitment to improving and developing the wellbeing of their all stakeholders in the school community. Pastoral Care at Ruzawi focuses on the whole child - Spiritually, Emotionally, Physically and Academically. Despite having a dedicated team, all members

of the school community are actively involved in supporting our children in every area of their general wellbeing, hopefully equipping them with the knowledge and skills they need to be in charge of their own wellbeing as they grow up.

# CURRICULUM SUPPORT

## Why we call it "The Indigo Room"

Indigo, a deep midnight blue, was mentioned by Sir Isaac Newton as one of the colours of the rainbow, therefore, like The Indigo Room at Ruzawi, it is very important. Indigo is the colour of intuition and perception. It is a powerful and dignified colour that promotes deep concentration and conveys integrity and sincerity. It reflects great devotion, wisdom and justice along with fairness and impartiality. The colour and all it stands for is exactly what we would like The Indigo Room at Ruzawi to represent.

### GRADE 2 PROSE

by Grace Henson

I look out my window and see the stars shining in the sky I wonder what I can make to fly up into the sky

Then I knew what to make I went to the shed and I found my old umbrella that my granny gave me then I started to open it then.

I saw two yellow eyes I got a big fright and I jumped into the flowerpot and it was just a bat it flew away and when I jumped

into the flowerpot I found a piece of glass to put on my funny aeroplane and I was looking for some red paint I tripped on some tins saw some red on me and that is how I found the red paint.

After many hours of banging and hammering my aeroplane was finished I waited until dark and I shot into the night sky I saw some shooting stars and I made lots of wishes.

I flew to the moon and found some purple rocks I took off again and went back to earth. I showed my friends my space rocks what an adventure!

## When I grow up:

**Alex:** I want to be a farmer like Dad because I like mealies and lemon seedlings.

**Micah:** I want to be a policeman when I grow up because they catch robbers and have nice cars.

**Louis:** A fire-fighter so I can help when people have fires in their house and I can help get cats when they get stuck in a tree.

**Tinaye:** I want to be a doctor and help people get better. My doctor is kind to me.

**Kutenda:** A fire-fighter because they are brave and a policewoman because they keep us safe. I want two things.

**Jordan:** I want to teach people to swim because swimming is my favourite.

**Jason:** A farmer because I want to be like my Dad. He is cool.

**Kian:** A guy who catches animals and keep them - like a zoo and have guards - even catch fish and keep them in a tank. I like animals, especially snakes.

**Chiedza:** A doctor like my sister Anashe, and it sounds like fun.

**Kudiwa:** When I grow up, I want to be like my Mum. I want to go to work and have a shop and play with my child at home.

**Sam:** A sea fisherman. I love fishing and I would like to catch sharks - but not swim! I don't want to lose oxygen!

**Caleb:** Farmer, because I like helping people survive because you give them fruit and I love riding motorbikes on the farm and paying school fees for my children.

**Christian:** A basket ball player. I have a hoop attached to my tree house. I love tries and I score lots of them when I play with my brother. I want to be like Lebron James.

**Catherine:** A horse rider, because I like horses - they are fast and I feel happy and strong when I ride them.

**Amelia:** An artist because I am really good at art, I feel happy when I draw and paint stuff. And when I use glitter.

**Ewan:** I want to work for diggers and be the boss because my Dad does it and when the guy who breaks the digger breaks something, my Dad gets angry.

**Ruvarashe:** I want to be a swimming teacher so that I can teach people. If..if.. I don't teach them they will drown.

**Emma:** A ballet teacher and I want to teach people to do curtsy. Because I love ballet. It teaches you so much things to jump up in the air and turn around with your tippy-toes.

**Nicolas:** I want to own a company. Intergas - a company that my Dad works at - he's the boss. I'll get to go to people's houses, deliver their gas and come back. I want to be a pilot but I changed my mind because I realised it would be too dangerous.

**Lana:** I want to be a doctor..I don't know yet.

**Andy:** I would like to be a ballerina. Ballerinas are always pretty and they dance so nice!

## Plant a Tree to Save a Forest

by Ashleigh Nzenza 7B

Strolling down the dirt covered path, skipping over stones drowned in moss. On the path ahead of me I can see alluring azure hydrangeas. Whilst travelling through the trees, I spot microscopic black insects, all holding either a crumb or a part of a strawberry. They were all in a straight line, like they were soldiers marching off to war. Hummingbirds chirping as they dance through the sunny sky. The aroma of damp moss and blossoming tulips occupies the air. I can taste the fresh spring air settle on my tongue. I'm searching for a supposed 'Thriving Utopia'.

I've been wandering for what seems like years. According to this torn, aged map, my destination should be right here. I arrive at the 'Thriving Utopia'. The sunny sky grows dim and cloudy. Crows are singing a dreadful song, resembling the voice of Taylor Swift. Prickly thorns stand guard by the ominous entrance. I grow confused. Instead of an enthralling paradise roaming with pixies and pegasi I am left disheartened when

I see a decaying and decomposing forest with a repugnant scent. I think to myself; how did the world come to this. What can I do to fix this?

A Section of the Story:

## The Unexpected Visitor

by Tine Masawi 7A

I got ready for the day in zombie-like motions, with a quick shower and an even more sprightly breakfast that consisted of eggs, bacon, toast and a cup of lemon tea. A tiresome hoot was coming from an equally tired red and white Honda Fit which was waiting impatiently by the black sunburnt metal gate. Much to my dismay, it was the people I was least expecting. It was my extended family. My family members rolled out of the car. I was expecting one or two individuals, but nothing could prepare me for what I was about to witness. The old red and white Honda Fit contained at least twenty people. My mind was boggled as to how a small car like that could fit that many people.

They came in all shapes and sizes; one in a dress, another in shorts, one tall, the other petite, all wearing different shades

# GRADE 7B

With Mr Mangenah

of the rainbow, one loud and one quiet; they all flooded the garage. Soon, my mother came to the rescue, accommodating the throng of people. They all sat down in the living room. Expecting tea, biscuits, wafers and juice the commands came through one ear and out the other.

I felt like I was on an MTV interview. The questions and discussions were always spontaneous. For example, a tall aunty said that the last time I saw her I was two months old, and that means I must remember her. The uncles had fled to the balcony at the back of the house with a six-pack of beer, only reappearing when the aunties needed to drive back home. When the biscuits had finally been depleted and I had been back and forth between the kitchen and living room at least fifty times, my Mum prepared a meal. My relatives inhaled the food in three minutes, it made me feel like the slowest person in the world. They finally left and I felt like the world had been lifted off my shoulders. As soon as I got my muscles to relax, I needed to tidy up the mess.

## Daydreaming

by Admire Ushehokunze 7A

When I am bored and have nothing to play,  
The solution is to drift away.  
I will be transported to another world,  
A world so amazing it has the value of gold.

I would slay a dragon and save the queen,  
I would be the hero I have never been.  
The world would be a tranquil place,  
I would win cards by using my ace.

I can jump in a car and win a race,  
I would win in ice skating by dancing with grace.  
I would fly in the sky and soar very high,  
Since I would be safe, I would not cry.

# ATHLETICS

## Boys' Team

The foundation for this successful season was laid in an early season in-house coaching clinic which put all staff on the same page in terms of our approach to athletic skills. Thereafter, the re-enforcement of the concepts consistently lent itself to performances at a later stage that were most pleasing. At the Inter-House event, the houses were separated by less than fifty points, evidence of the closing gap between them given how, previously, this gap was upwards of one hundred points. The Ruzawi Invitational followed on from this where we saw our athletes, pitted against opposition from other schools, display tremendous dominance in many areas, none more so than in the middle-distance events. They stuck admirably to the strategy instilled during training and were imperious. A clean sweep of wins was the overall result: first places in the girls', boys' and co-ed sections. Buoyed by this wonderful achievement, we went to the Marondera Schools' event which was reduced to three schools. Ruzawi, Lendy Park and Springvale House, the hosts; the local government schools were, sadly, not in attendance. While points are not on offer in this friendly meet, our athletes once again displayed dominance in most of the disciplines and even walked away

with a couple of records. It was pleasing to see the consistency in performance and gratifying to see how well the training had done its work.

We were sad that the traditional E.P.S.A. divisional meet did not take place this year but were really pleased that Mr Stenala, the Sports Director, managed to organise a Co-Ed event instead which was superbly hosted by our staff here at Ruzawi School. The athletes were in top form again and would not be deterred from finishing the season off in style: a clean sweep of wins in all three sections on offer!

There were some excellent performances once again and it was very pleasing to see the children still give so much despite it being their third inter-schools' meet in a week; they are really to be commended for their fortitude and focus. My thanks go to all the staff involved in so ably preparing the children to perform well, particularly the other school team coaches - Mr Stenala, Mrs Bissett and Mr Mangenah - who gave tremendous input to the team. I congratulate Matthew Williams and Rahchel Moyo for being excellent leaders of the school team.

# CROSS COUNTRY

## Boys' Team

The all-too-familiar resistance to cross country was back in full force this year but we soldiered on, inspired by the sheer grit of those who rose to the challenge and the conviction we have of what an important building block to all the others this sport is. The rewards came in the various competitions we participated in, kicked off by a hotly contested inter-house event. The children always rise to the occasion on this day, summoning up untold reserves of energy for their parents and the moment itself. We were disappointed in the cancellation of the Flame Lily at Springvale House but were well compensated at the end of the season with a run at the Peterhouse Girls' Invitational where our seniors ran incredibly well against high school athletes.

A reduced field at the Lilfordia Three Woods' Cross Country meet was due to the government schools not yet taking part in sporting events. Pitted against other familiar rivals, our runners were simply amazing. Outstanding individual performances and an impressive collective effort resulted in a second-place

overall finish for the Ruzawi "A" Team while our "B" Team managed a very pleasing seventh place. Most noteworthy was the achievement by the boys' half of the team who walked away victors of the shield for the boys' section, a very rare feat indeed!

The Ruzawi Invitational ended a shorter than normal season and our runners were no less impressive there. Ruzawi "A" came second once again while our "B" Team managed an impressive fifth place. The boys were at it again, coming top of the pile against some pretty stiff opposition. While the results were probably beyond our wildest dreams, it was the character and application shown by many of our runners that was most memorable. Spero Landos and Bella Wilson were exemplary in this respect as captains of the team. Hopefully this augurs well for a turn around in attitude towards this sport and we can give it the right mental approach in future.

## 1st Team

The Ruzawi 1st team Netball girls had an exceptionally successful season even though they had two years of no sport due to the COVID- 19 pandemic. I have thoroughly enjoyed this wonderful group of girls. The netball season commenced with the Gateway Festival, and we were delighted with the spirit of great enjoyment and full participation with which they played. Some very appealing netball was played throughout the season and often they were an absolute pleasure to coach.

The girls showed diligence and perseverance in their execution both in defence and attack. What an outstanding performance from everyone. Well done on your unbeaten netball season girls!

I would like to thank the parents for their encouragement and support throughout the season.

## Fillies A

*"They played their hearts out and we were very proud of them both on the court and off."*

It was back to basics at the beginning of the season with many of the Fillies not having played netball at all. The girls picked up strong throwing and catching skills and we moved quickly onto the court to get down to business. It took a while for everyone to find a suitable position but, once we did, these were guarded fiercely. The support of parents at our fixtures was greatly appreciated and their constant encouragement helped raise team spirit.

We had some very enjoyable fixtures and some challenging ones too but the girls always came back and gave of their best. Our season culminated with the Ruzawi Festival where the competition was tough and we were able to achieve runner up for the cup.

The Fillies A played their hearts out and we were very proud of them both on the court and off. Mia Mahachi displayed steady progression in her position as shooter and, together with Matida Dvurumi, we had some excellent scores. Ashante Maraire and Aiyla Koen were tenacious with their playing and proved to be invaluable to their team. Adrianna Zhanda displayed formidable defence moves and was instrumental in many fixtures.

We thoroughly enjoyed our afternoon sessions with the girls, having many laughs as well as 'serious' training. Having the opportunity to see each girl play a fixture at some stage during the term was fulfilling and we wish our Grade 5's all the very best in their senior netball next year.

## 1st Team Boys

It was so exciting to get back to competitive sport. The 2022 season was an interesting season in which the 1st XI struggled to perform consistently well. The Team was captained by Carl Magutakuona. Having started off the season with a training camp the boys were very fast out the blocks winning their first couple of matches. Playing the ball wide and getting the ball to the base line proved to be difficult for many teams to defend. The boys created countless goal scoring opportunities, but the conversion rate was low in the second half of the term. Despite not scoring enough goals this season, this group of boys played some very attractive passing hockey. I would like

to thank Mr S. Scott-Elliot for all his input with the 1st XI.

Congratulations to the following for making the Easterns Hockey Squad: Carl Magutakuona, Tinotenda Sithole, Zviko Matipano, James Van Heerden, James Hosack, Matthew Williams, James Hove, Nyasha Matsikidze and Emmanuel Chatora. We are grateful to the Lord for keeping the boys safe throughout the season.

## Colts A

*"Well done for having a determined attitude, for working hard on your hockey skills and having fun together!"*

Our hockey season started with a match against Lendy Park. We won the game but realised we had work to do. We then had a tough game against Lilfordia, in which the team came back from being down 0-2 to win the game 5-2. It was a valuable lesson in the importance of teamwork and keeping the correct structure on the field.

This was followed by a 1-0 loss at the hands of a well drilled St John's team. Cullen Seaman and Daniel Williams defended with determination throughout the game and were commended for their efforts. The team then recorded a series of good wins against some great teams, including St Michael's, Springvale House, Hartmann House and Twin Rivers. This enabled the team to develop their confidence and skills.

The team thoroughly enjoyed attending the Bryden Hockey Festival. Some great goals were scored by Josh Hopgood and Murray O'Donoghue. Paul Hosack and Tayne Coetzee held the midfield well and the team came away unbeaten. Both Michael McKinley and Marley Rushesha made valuable contributions to the team on the day.

We were able to end the season on a high, with a victory over St John's at home. In the first half the boys were a bit unsettled, but a brilliant second half resulted in a 2-1 score line.

Well done to all the members of the Colts A team for having a determined attitude, for working hard on their hockey skills and for having fun together! I look forward to watching their hockey progress over the years to come.

## 1st Team Girls

*"Their team spirit was excellent. they pulled together on the tough days and celebrated as a team on the successful days."*

The season has had its fair share of ups and downs and the girls have coped admirably. It has been a season of mixed successes and losses, but the girls have continued with determination, courage and grit. They grew from strength to strength in each practice and match. Perhaps their greatest achievement was the incredible growth shown with their skill and specifically their stickwork and understanding the importance of working as a team.

Their team spirit was excellent, they pulled together on the tough days and celebrated as a team on the successful days. The girls appreciated and understood in depth, the meaning of a 'teammate' and 'teamwork makes the dream work'. Tine Masawi and Graca Emmanuel lead from the front with their positive approach and determination to succeed.

We had six girls represent the province in Bulawayo:

Rahchel Moyo, Minerva Bunhu, Izabella Southon, Stacey Manganah, Zenzo Mutasa and Tassia Kaschula. To their credit, Easterns won the trophy for the IPT 2022, which is an outstanding achievement. Rahchel Moyo was awarded the Most Valuable Player for the team as she worked hard in the link line and was integral in both attacking and defending short corners. Blaise Fouche was awarded the Most Improved Player as she grew to be the most versatile player on the field.

The girls were wonderful to work with and leave the season with much to be proud of and lifelong lessons that will help them in all areas of sport in the future, which is very encouraging for them.

## Fillies A

The season started with the Gateway Coaches Festival, a group of very nervous girls and two coaches who did not know what to expect. The girls played well winning one, drawing one and losing two. It was a rollercoaster of a day but an excellent opportunity for the girls to understand the flow of the game. It also gave us as coaches a chance to start seeing who played best in what position.

The Springvale House Festival was another nail biter. The girls started out a bit shaky but made an excellent comeback towards the end of the day, scoring 9 goals in total. The rest of the season was jam packed, with up to two matches a week. All opposing schools gave us good competition and the girls were challenged in different ways in each game.

The girls learnt how important it was to not give up when things were not going their way. The team has had an exceptional season, considering they have missed out on most of the last two years.

It has been a privilege to watch them thrive on the field throughout the course of the season. The resilience and determination they have developed over the course of the term will stand them in good stead for the future. Mr Matema and I have thoroughly enjoyed working together and coaching these wonderful young ladies. Well done girls for a tough but successful season, we wish all the Grade 5's moving to the senior teams next year all the best.

# RUGBY

## 1st Team

Returning to rugby after the Covid-19 break was always going to present some interesting challenges: the coach was returning to senior rugby after five years at Colts level, none of the boys had played fifteen-man rugby before, a lot of rules were unfamiliar and, while some of the positions would have been vaguely recalled, they had no idea what they meant in this context. So began the journey to catch up on all these aspects and hopefully even make some progress beyond that. This was no mean feat and I often found myself observing certain scenarios play out during matches and remarking, "Oh dear, we haven't covered that yet!" It was both a joy and frustration to walk this road and I marvel at how much ground was covered in both catching up and exploring ground beyond that.

The forwards were consistently dominant, albeit interspersed with some moments of absolute aberration which left the coach tearing his shortly cropped hair out. The backline struggled with areas of significant weakness, tending to rely too heavily on what strengths we did possess. We narrowly lost to St John's Prep in matches that could, and probably should, have gone our way had we controlled these games better. A frustrating end to the season in the game against Hartmann House saw

us fall apart somewhat in the early stages although we did fight back as the match went on. All in all, this team ably shouldered the heavy burden of placing Ruzawi rugby back on its familiar ground, something they actually did most admirably. Despite the up and down nature of our performances (I on occasions marvelled at the team that would pitch up on some days), this group acquitted itself well in re-igniting the passion for this incredible game which is built on generations of boys who have worn the jersey to represent the school's premier rugby team. The culmination of the season could not have been a more fitting reward for these boys' hard work: winning the Owen Davies IPT held at L.C.P.S as the Easterns squad which had twelve of our boys.

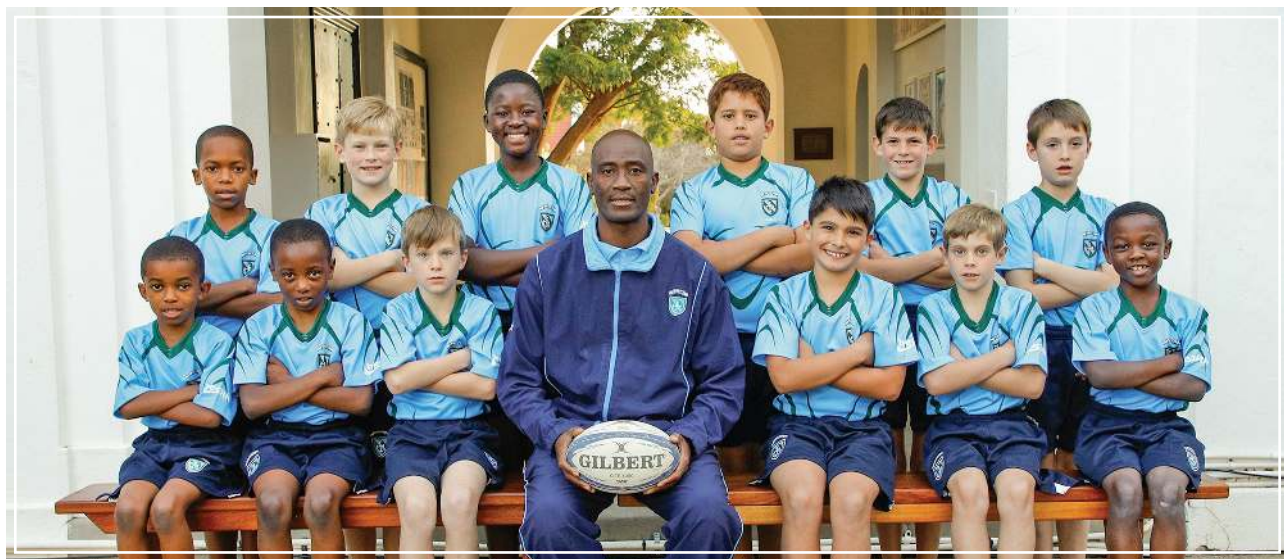

I thoroughly enjoyed coaching these young men, superbly led by David Chirisa, and wish the Grade Sevens all the best in the remainder of their rugby journey, wherever that may take them. My thanks go to Mr Stenala for his input and assistance with this group and I look forward to working with a very promising crew next year.

*"The attitude and commitment the boys showed in all the matches was far more important than the wins themselves."*

With two years of not playing rugby due to Covid 19 and the subsequent lockdowns, the boys were eager to be back on the rugby field once again. Having missed Grade 3 rugby, 2022 season would be their first time to be introduced to ten-men rugby. The excitement was very high! After a few days of training, getting the boys having fun and learning their fundamental skills, our first fixture took us to Gateway to play five schools in a Coaches festival. Besides winning all five games, the boys thoroughly enjoyed their first run out for the school. Little did I know that this was the beginning of an exciting and unbeaten season for this Colts A side of 2022.

The team won the most attractive rugby side at the Springvale House festival and were outstanding at the 7s rugby festival at Hellenic where they came third overall. One of our forwards (Paul Hosack) won the best forward in 7s rugby. The aim for this season was to promote and develop the skills of my Colts rugby players as well as getting everyone involved and

increasing the attitude of a team mentality. The attitude and commitment the boys showed in all the matches was far more important than the wins themselves.

From my perspective this season has been an absolute pleasure. The silverware only added to an already enjoyable season. The team should be proud of their hard work, commitment and discipline. Every player put in a shift. I would like to wish the best of luck to our Grade 5 players who are now ready to move on to senior rugby next year. I am also excited for next season due to the potential of the Grade 4 players who will make up the core of our team. Hopefully, we can build on this momentum for next season. I would like to say a big thank you to all the Colts A parents for their unwavering support throughout the season. I thoroughly enjoyed coaching their sons.

# TENNIS

## 1st Team

*"The focus this year has been to foster a sense of independence, sportsmanship and responsibility."*

Ruzawi tennis had a difficult start to the tennis season after the long break from interschool competitions. With that as our motivation, the focus this year has been to foster a sense of independence, sportsmanship and responsibility in our tennis players on the court. The girls were encouraged to play with confidence and without direction from adults. With a few teething issues, the level of tennis played by teams, particularly the 1st team, has improved considerably and we are very proud of our players. The girls played their matches in good spirits and demonstrated an excellent understanding of the game and true sportsmanship, with the first team achieving a clean sweep in the final Quadrangular against Springvale House, Chisipite and Whitestone, to finish off the season.

The exponential improvement is largely due to our dedicated tennis coach, Mr Matema, who spends many a break time on the courts with the girls. A huge thank you to him and our other tennis staff. Thanks too, to our parents for their consistent support on the sidelines and the mums who stepped out of their comfort zones to play the annual Mums' and Daughters Tennis match. Finally, well done and thank you to our Captain for 2022, Stacey Manganah. Good luck to her and the other Grade 7's as they move on to Senior School. We will watch their tennis careers with interest and pride.

In the first term the girls lacked confidence in their abilities and struggled to maintain a positive attitude during their matches. As a result, we often lost games that we could have won. However, with lots of hard work and determination, the girls managed to turn their third term season around. The improvement in the standard of tennis played was phenomenal! The team's confidence grew and they managed to get the better of some strong opponents. Congratulations to

all the girls who played Fillies A this year. I am proud of their commitment to their practices and all the effort they put in. A very big thank you to our tennis coach, Mr Matema, for his dedication and enthusiasm. We wish the Grade 5 girls all the best as they move on to the next age group. Mia, Adrianna, Matida, Tsungi and Shantel - we will miss you but keep giving of your best!

## 1st Team

The most rewarding aspect of the 2022 season had to be the fact that we were back on the cricket pitch playing matches once again. Lost ground was made up and progress was made. John Hacker captained the team and performed with bat and ball: 182 runs at an average of 26, 14 wickets at an average of 11. Matthew Williams provided some match-winning moments, scoring 204 runs at a healthy average of 34 and taking 12 wickets at an average of 12. Carl Magutakuona was very impressive behind the stumps, his 9 catches and 4 stumpings the result of a terrific work ethic and a determination to do his best. James Hove made a memorable 24 against St John's in the third term and always provided effervescence in his bowling and fielding. Zviko Matipano took 6 wickets at an average of 12 and had a match-winning performance against Springvale House, with both bat and ball, in the first term. James Van Heerden was another with a wonderful work ethic, coming up from the second team towards the end of the first term and deservedly winning the Most Improved Cricketer

Award for his efforts with both bat and ball. Neil Kapanje took 7 wickets with his nagging slow medium seamers and Tinashe Kashaya brought energy and enthusiasm to everything that he did.

2023 should be a year of high achievement as the side will be built around some useful cricketers who have gained valuable experience over the course of this year. Riley Stanger should make a bucket-load of runs at the top of the order and has worked hard on his chinamen. James Hosack performed very well in the third term of this year with bat and ball and Riley Findlay took 9 wickets over the course of the year with his left arm spin; he has the potential to be one of the best spinners in the country next year at junior school. Simba Paradza and Simba Mandivenga both showed terrific promise this year and will be crucial members of next year's First XI.

## Colts A

After a 3-year hiatus from competitive cricket, due to you know what, it was quite exciting and not to mention a relief to finally get back on the cricket field and get those competitive juices flowing again. The saying, "You never know what you have got until it's gone," has never been more apt. So, the Colts A boys took to the cricket field like the proverbial duck to water and performed admirably and with a lot of gusto. I count myself lucky to have had a group of boys with the hunger and desire to improve their skill set and who played each match as if it was their last. Their hard work and work ethic were truly commendable and something to behold.

What stood out the most was how quickly they gelled as a team and for this, credit must go to the Grade 5 team members who led by example and showed great leadership. Everything we did in this team was based on trust and I could always rely on this group of boys to carry out a given task competently and to the best of their ability.

For that, I would like to thank all the members of the Colts A team for making this year a memorable one and for always going the extra mile for each other. Well done and good luck for the future.

# SWIMMING

## Boys

After a wonderful period of training and preparation, the competitive part of the season roared into life with an impressive showing at the Pisces Gala hosted by Bishopslea. Our 'A' Team combination with Bishopslea came agonisingly close to the perennial winners, St John's Prep and Chisipite 'A' – a mere three points separated us, the closest we have ever come! Buoyed by this encouraging performance, the focus turned quickly to the Gateway Co-Ed Gala where, once again, our swimmers were very impressive. Hellenic have consistently been too good for us and this year was no exception. However, our performance was certainly worthy of commanding respect – we were very pleased with our second place in all categories behind them. Individuals swam well and it is clear that the balance between the emphasis on the parts and the sum of them is becoming better. Much of the credit must go to the Dorados Club ably coached by Mrs Bernice Carinus; the individuals who are part of that group form the core of our overall squad.

The Marondera Schools' Gala, held at Springvale House under very cloudy skies, was a huge relief to complete given the frustrating period of struggling to get in the pool because of inclement weather preceding it. It felt a lot like dusting off cobwebs which proved crucial in the build-up to the EPSA

Division One Gala at Les Brown Swimming Pool. This was a hotly contested and tough encounter, more so than many in the past. It is a real privilege for our swimmers to be able to swim against competitors of the calibre on display there and even hold our own in many instances. We were certainly not blown out the water, if you will excuse the expression! Ruzawi hosted an excellent Invitational Gala next and it is humbling to note how the participating schools look forward to this event; they are very complimentary about it. A very dominant showing saw us convincingly win the MCD Invitational Gala once again having done so since 2013. We also managed several age group winners and runners-up. At the time of writing the Inter-House Gala was a couple of days away and shaping up to be lots of fun, notwithstanding competitive – the long-distance events swum beforehand promised such a spectacle.

I am grateful to Mrs Carinus for her significant input in assisting with the team coaching; she will be sorely missed next year. Matthew Williams and Minerva Bunhu were excellent captains and I wish them, as well as the other Grade 7 swimmers, all the best in the future.

Mike Taylor sadly passed away in February this year. Mike has held a special place within our Ruzawi family. He joined the Ruzawi Staff in 1973. His incredible passion and enthusiasm for long distance running, as well as his sound advice of "It is not a race, it is a run", will always be remembered by all who take part in the famous Mike Taylor Run. He touched many lives during his time at Ruzawi and he will be fondly remembered as a true schoolmaster.

Peaks out just behind the Baobab tree,  
Its branches strong and determined,  
Feeling like it's free.

All animals come to visit,  
Some even call it their home,  
But foes are not welcome,  
'Cause here animals rule the throne.  
The birds live in the branches,  
The antelope down below,  
Lions in the great tree's shade,  
Wondering whats happening tomorrow.

But when the sun goes down,  
And all fall into sleep,  
The Baobab's still waiting,  
For the last sound, the last peep.

## *Children's Cancer Relief*

The Ruzawi family have for two consecutive years raised over US\$25,000 for Kidzcan and in 2022 this donation will specifically go to the Rainbow Children's Village (RCV).

The RCV is a home away from home for children suffering from Cancer after their chemo sessions at Parirenyatwa Hospital. The movement is also usually traumatic for the child following an exhausting chemo session, and it increases the risk of infection in between. That is where the RCV comes in, and Kidzcan is running the home. The child and the parent/caregiver are accommodated at the home and provided with all amenities whilst the child awaits another round of treatment. The home will also reduce a sense of abandonment. By this donation, Ruzawi is entitled to a room and its naming rights.

“

Gandhi

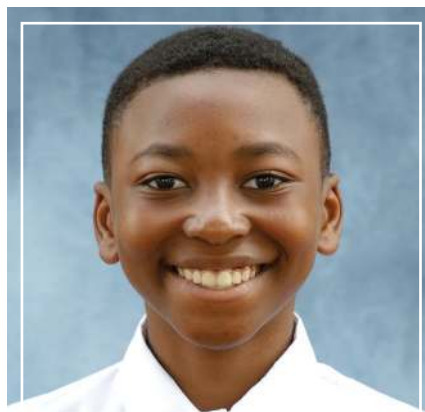

”

What I have learned and will take with me to Senior School is mastering the skill of being organised and staying focused.

Good things don't come easily.

I love netball, it is fast paced and intense. It has taught me about teamwork, co-ordination and communication.

**MINERVA BUNHU**

**TANGENI AKWENYE**

At Ruzawi I have learned that I need to be mindful that things will not always go my way.

My 2 favourite quotes are “YOLO” because that line got me through a lot of swimming when I didn't want to be near water! I also like “WWJD” because it makes me think more about Christ's example.

My theme song for life at Ruzawi would be Memories by Imagine Dragons. It reminds me of all the many Ruzawi memories.

My favourite quote is “You Only Live Once”. If I don't do this well I will never get to do it again.

**CARLOS CARVALHO**

My favourite line in the Ruzawi Anthem is "Every boy and every girl will find their place within our world". It shows that all of us have a place in our school. I love Nelson Mandela's quote, "Education is the most powerful weapon which you can use to change the world."

**EMMANUEL CHATORA**

**KATIE CHARTERS**

I have learned a lot at Ruzawi, but the one thing I will take with me to Senior School is how to be a leader and a Learning Knight. My favourite Ruzawi tradition is Chapel every morning because we get taught interesting stories.

My favourite subject is maths because you need quick thinking and that is important for the job I want to do later in life.

My favourite quote is "Hard work beats talent when talent doesn't work hard." I didn't have talent in hockey and worked hard to be good at it.

**DAVID CHIRISA**

What I have learned about myself at Ruzawi is that it is my choice to succeed or fail in life.

My favourite part of the Ruzawi Anthem is "lift your voice and sing as one". It tells us that we should work together to get to our goal.

**GRACA EMMANUEL**

**CAMERON COOPER**

My favourite sport is rugby and swimming. I have learned that when you get knocked down you must bounce back up. I have learned that you will never know if you can unless you try. My favourite Ruzawi tradition is the last early morning swims for Grade 7's when they swim in their uniform.

At Ruzawi I have learned that I am a strong, independent pupil and that I can succeed in any challenge that comes my way. ICT is my favourite subject. I love working with technology and I am very aware what a privilege it is to have this equipment.

**BLAISE FOUCHE**

I will miss the teachers that called me  
"Jimmy Fish" most when I leave Ruzawi!  
I have learned that things don't always go  
my way and how to handle that.  
I love rugby. It teaches me to be brave and  
face my fears.

**JAMES HOVE**

My favourite subject by far was Science. I  
loved all the experiments. I've learned that  
no matter how hard you try, all you need to  
do is to think logically.  
My favourite Ruzawi tradition is Flag  
Ceremony. It shows that we have pride in  
our school.

**DANIEL HUNTER**

**JOHN HACKER**

I have learned to work hard at Ruzawi and  
keep that standard. I will take that with me  
to Senior School. I love cricket because  
it teaches me how to deal with pressure.  
My favourite quote is "Try not to become a  
man of success but rather a man of value."

I have learned that if you fall you get  
back up again. My favourite subject is  
Agriculture because I want to be a farmer  
and I learnt the basics.  
My favourite line in the Ruzawi Anthem is  
"Built on the rock of faith in Christ." I know  
that the Lord is with me.

**TINASHE KASHAYA**

Music is my favourite subject because I  
love to listen and play the guitar. I have  
learned to carry on if things get hard.  
I have had to show the most grit in rugby  
because I am the smallest in my team  
and easy to tackle. I got through by  
keeping on going.

**MICHAEL KOEN**

**NEIL KAPANJE**

At Ruzawi I have learned that I have to  
listen and stand up for myself. I love rugby  
because it is fun and I have learned to be  
strong through it. My favourite quote is  
"Alone you will be faster, but together you  
will get further..." It means so much to me  
because my friends have helped me a lot.

My favourite subject is maths. I have learned from it that no matter how hard the equation is there is always a way to work out the answer. My favourite motto is "The sky is the limit". It challenges me because I know it means never stop.

**CARL MAGUTAKUONA**

I have learned to always give of my best in whatever I do. To start strong and with a smile, talk to everyone and be friendly. My favourite quote is "It is in your moments of decision when your destiny is shaped." I have made lots of decisions this year. If you make a decision it can help you later in life so make the right choices.

**STACEY MANGENAH**

**SPERO LANDOS**

My favourite quote is "We are a Team." If one struggles we all struggle, and if one triumphs we all triumph, because we all work as a team.

My favourite line in our Ruzawi Anthem is "Built on the rock of faith in Christ." We should have a strong foundation of faith.

I love Social Studies because it teaches you how to research and take interest in things you never thought you would enjoy. My favourite line in the Ruzawi Anthem is "Every boy and every girl will find their place within our world." We are all different but we all look out for each other no matter what age, race or gender.

**TINE MASAWI**

**TINASHE MANGISI**

At Ruzawi I have learned that I have so much potential and I just need to use it in everything I do.

I had to show a lot of grit on the Cross Country course and I got through it by doing the best I can and now I am in the Cross Country team.

I have learned quick problem solving in maths. I want to have a job that involves finances. The area in which I have had to show the most grit is Cross Country. I have to encourage myself not to give up on the long distances. My favourite line in the Ruzawi Anthem is "Lift your voice and sing as one" meaning a team is better than one.

**TINASHE MATARA**

I have learned that good things never come easy. You should always work hard at everything and never look down on things.

My favourite line in the Ruzawi Anthem is "Now every boy and every girl will find their place within our world." When I came to Ruzawi and sang it, it was a promise to me saying I would not be an odd one out.

**ZUVA MATIMBA**

I will miss the food at Ruzawi! I have learned at Ruzawi that in life things do not always go your way and that you should always help others.

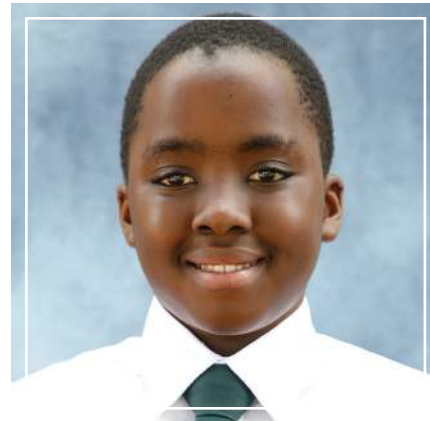

My favourite subject is Social Studies. I've learned that it is important to learn about our surroundings.

**ZVIKO MATIPANO**

**KUMBI MATEMURA**

Kumbi left Ruzawi at the end of Trinity Term 2022 to go to school in the UK. We wish her all the very best.

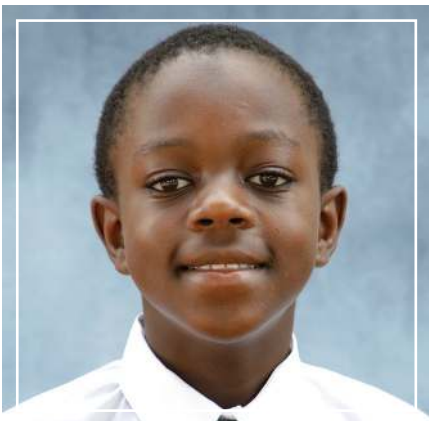

At Ruzawi I have learned to take each step with courage and determination. I love maths because it has taught me to think carefully through everything I do. My favourite motto is YOLO, it teaches me to do everything to the best of my ability.

**NYASHA MATSIKIDZE**

My favourite line in the Ruzawi Anthem is "tou manya nesimba" because it tells you to run your journey with strength. The motto that has encouraged me most is "Be the best you can possibly be, not what people want you to be."

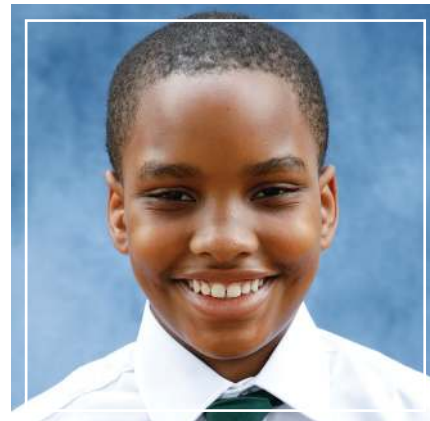

**AYDEN MHEMBERE**

**BLESSING MATSIKIDZE**

I love science because I want to become a scientist. I learned that you must never stop questioning life. Cricket is my favourite sport. I have learned that you need stamina and patience to stand in the scorching sun for an hour.

My favourite Ruzawi tradition is rest because I get to read.

I love cricket because it has taught me to become caring, patient and respectful towards others.

My favourite part of the Ruzawi Anthem is "and we'll embrace both great and small". It shows me that everyone has a part to play.

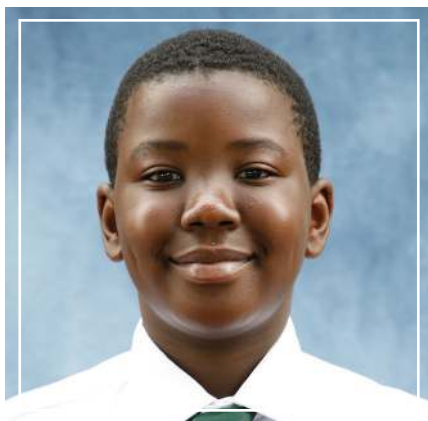

**BEN MUKANDI**

The quote that has encouraged me the most is "Running away from your problems is a race you will never win." It means so much to me because it tells me that whatever problems you face, try hard to get through it.

My favourite Ruzawi tradition is the Grade 7's Learning Knights Award. It is a way of challenging me to grow.

**ZENZO MUTASA**

**RAHCHEL MOYO**

At Ruzawi I have learned that endurance and self-discipline is the foundation of success, and that being organised is important.

Maths is my favourite subject because like a puzzle, it needs to be solved. I can compare the subject to real life situations.

I will miss my friends and brother most when I leave Ruzawi.

I've learned to always be myself and to not be afraid of anything, to always try my best.

My favourite motto is "Play hard and work hard."

**JAYDEN SMART**

**ASHLEIGH NZENZA**

I love English because I have learnt how to open my mind beyond its mental capacity so I can think about things in more depth. I have learned how to speak up since I used to be very soft-spoken. "Don't let what you cannot do interfere with what you can do." This quote means a lot to me because if I make a mistake in one area it doesn't mean I am incapable of the other areas that I am good at.

My favourite quote is "If you can't find a way, wait a bit and think it through before trying to squeeze your way through."

My favourite line in the Ruzawi Anthem is "our choirs will sing, our captains roar". It makes me feel like I am not alone.

**IZABELLA SOUTHON**

I will miss Thursday afternoon fishing club most, and jumping off the diving boards during free swims.

Cricket is my favourite sport because of the memories made with my friends and I have learned to never give up.

**JAMES VAN HEERDEN**

At Ruzawi I have learned that I am capable of doing anything when I put my mind to it. The area that I have had to show the most grit is in maths. I have learned how to deal with it by studying more and trying my best.

**MATTHEW WILLIAMS**

**ADMIRE USHEHOKUNZE**

The cross country course is the area in which I have had to show the most grit.

I learned to not give up.

My favourite line in the Ruzawi Anthem is "Our school is filled with learning knights".

It tells me what Ruzawi pupils are like.

**BELLA WILSON**

I love cross country because I enjoy running long distances. I have learned to keep believing in myself and not underestimate what I can accomplish.

English is my favourite subject because of Mr Scott-Elliot helping me through it. I have learned to never give up.

## Ruzawi Old Pupils' Association

After the social restrictions in 2020 and 2021 due to COVID the Ruzawi Old Pupils' Association (ROPA) was fortunate enough to be able to host two fund-raising events in 2022 – the annual Bruce Dorward Trophy Golf Day which took place at Royal Harare on Friday 1st April 2022 and then the keenly anticipated Ruzawi Durban July event held on Saturday 2nd July 2022.

The events were a great success with the weather being very kind to us at both events. At the ROPA Golf Day a full field of 32 x 4 balls competed for the Bruce Dorward Trophy with the winners being the Electrite Team ably captained by our very own Ruzawi Old Pupil, Richard Taylor. Prize giving was held under the trees in front of the putting green at Royal Harare with the festivities carrying on until about 12pm – with excellent DJ services provided by Deon Oosthuizen, a current parent.

The ROPA Durban July event was attended by over 300 guests and this too turned out to be a fun, entertaining day with some great fundraising achieved. Again DJ Deon provided the music services and another late evening ensued!

The bulk of the funds raised at both events intends to be contributed towards finishing off Phase 2 and 3 of the Winchester Pavilion located between the main cricket field and the tennis courts.

To all Ruzawi Old Pupils who have left the school, we can assure you that the school continues to serve as a beacon of Primary School excellence in Zimbabwe. Ruzawi School, under the guidance of the Headmaster Mr Paul Davis, and his excellent team of staff, continues to provide a balanced education to all Ruzawi students, with the Ruzawi culture and ethos that for generations has prepared pupils so well for a life beyond Ruzawi, remaining as strong as ever.

To all the 2022 leavers, please ensure that Ruzawi holds a special place in your heart and remember all those great values of integrity, honesty, love, humility and courage that have hopefully been burnt deep into your character!

We welcome you to the Ruzawi Old Pupils' family - try as best as you can to keep in contact with Ruzawi School and all your Ruzawi friends who you have developed special relationships with! Always be proud of Ruzawi and the incredible all-round Primary School education you have received!
